\*Rand article from wiki

Language : Film is considered to have its own language. James Monaco wrote a classic text on film theory, titled *How to Read a Film*, that addresses this. Director Ingmar Bergman famously said, Andrei Tarkovsky for me is the greatest director, the one who invented a new language, true to the nature of film, as it captures life as a reflection, life as a dream. An example of the language is a sequence of back and forth images of one speaking actors left profile, followed by another speaking actors right profile, then a repetition of this, which is a language understood by the audience to indicate a conversation. This describes another theory of film, the 180-degree rule, as a visual story-telling device with

an ability to place a viewer in a context of being psychologically present through the use of visual composition and editing. The Hollywood style includes this narrative theory, due to the overwhelming practice of the rule by movie studios based in Hollywood, California, during the classical era. Another example of cinematic language is having a shot that zooms in on the forehead of an actor with an expression of silent reflection that cuts to a shot of a younger actor who vaguely resembles the first actor, indicating that the first person is remembering a past self, an edit of compositions that causes a time transition.

Despite the United States progress on vaccination, spread of the Delta variant intensified across the country in July 2021. As children younger than 12 could not be vaccinated for COVID-19, a number of studios announced plans to delay films targeting families or pursue hybrid premium video on-demand (PVO) streaming releases<sup>126,127</sup> on July 31, Paramount Pictures cancelled the release of *Clifford the Big Red Dog* initially scheduled for September,<sup>128</sup> and later rescheduled it for a simultaneous release in theaters and on Paramount+ for November of that year,<sup>129</sup> while United Artists Releasing's *The Addams Family 2* was also shifted to a hybrid release.<sup>127,130</sup> On August 12, Sony Pictures also delayed the release of *Venom: Let There Be Carnage* by three weeks to October 15, citing the Delta variant.<sup>131</sup> On September 1, 2021, Paramount announced that the releases of *Jackass Forever*, *Top Gun: Maverick* and *Mission: Impossible 7* would be delayed to February 2022, May 2022, and September 2022, respectively, amid surging cases of the Delta Variant.<sup>132</sup> On September 6, 2021, however, Sony decided to

move up the release date of *Venom: Let There be Carnage* to October 1, 2021, following the box office success of *Shang-Chi and the Legend of the Ten Rings*.<sup>133</sup> The success of *Shang-Chi and the Legend of the Ten Rings* also led to The Walt Disney Company deciding to release the rest of their 2021 films exclusively in theaters.<sup>134</sup>

Two weeks later, movie theaters in Los Angeles began reopening with 25% capacity. On March 23, 2021, Regal Cinemas announced that they would reopen their cinemas beginning April 2, 2021.<sup>199</sup> On April 19, it was announced that capacity for New York cinemas would be raised to 33% on April 26.<sup>200</sup> The same day, California issued an addendum that orange-tier counties would be restricted to 50% with no hard cap on patrons, and that counties under the yellow Minimal tier would be allowed to operate cinemas and other selected venues at up to 75% capacity if all attendees present proof of full vaccination or a recent negative COVID-19 test. Guidance was also issued for seating sections with less physical distancing for those who are fully vaccinated.<sup>201</sup> After filing for Chapter 11 bankruptcy protection in October 2020 and March 2021, respectively,<sup>202203</sup> Studio movie Grill and Alamo Drafthouse Cinema respectively emerged from Chapter 11 in late-April 2021 and early-June 2021 with new funding, and some underperforming locations closed along with plans for new theaters being built.<sup>204205</sup> On April 21, 2021, The Decurion Corporation, parent company of Arclight Cinemas, the Cinerama Dome, and Pacific Theaters, announced they would be shutting down all of its locations, due to the financial impact of the pandemic.<sup>206207</sup> Two months later, Pacific

Theaters filed for Chapter 7 bankruptcy.208
