\*Rand article from wiki

Any film may also have a sequel, which portrays events following those in the film. Bride of Frankenstein is an early example. When there are more films than one with the same characters, story arcs, or subject themes, these movies become a series, such as the James Bond series. And, existing outside a specific story timeline usually, does not exclude a film from being part of a series. A film that portrays events occurring earlier in a timeline with those in another film, but is released after that film, is sometimes called a prequel, an example being Butch and Sundance: The Early Days.

Independent filmmaking often takes place outside Hollywood, or other major studio systems. An independent film or indie film is a film initially produced without financing or distribution from a major film studio. Creative, business and technological reasons have all contributed to the growth of the indie film scene in the late 20th and early 21st century. On the business side, the costs of big-budget studio films also lead to conservative choices in cast and crew. There is a trend in Hollywood towards co-financing over two-thirds of the films put out by Warner Bros. in 2000 were joint ventures, up from 10% in 1987.<sup>14</sup> A hopeful director is almost never given the opportunity to get a job on a big-budget studio film unless he or she has significant industry experience in film or television. Also, the studios rarely produce films with unknown actors, particularly in lead roles.

On March 5, 2021, cinemas in New York City were given authorization to reopen, subject to the same 50-patron limit as the remainder of the state.<sup>197</sup> On March 11, after Los Angeles County moved from purple to red on the Blueprint for a Safer Economy, the Los Angeles County Department of Public Health LACDPH gave authorization for cinemas to resume operations in the area at 25% capacity.<sup>198</sup> 42 of the approximately 107 cinemas as of 2019 in the LA area had resumed operations by March 26, with some chains and independent cinemas expecting to reopen over the next few weeks for the opening of *Godzilla vs. Kong*.<sup>122123</sup>
