Awards :Three award ceremonies were held after the coronavirus became widespread: the 10th Magritte Awards on February 1, the 45th César Awards on February 28, and the 43rd Japan Academy Film Prize on March 6. The Japanese Academy Prize ceremony went ahead on March 6. However, the ceremony was conducted without any guests or journalists.²⁷ The 14th Seiyu Awards cancelled its live ceremony scheduled for March 7 in Tokyo and instead broadcast the winners on Nippon Cultural Broadcastings internet radio program.²⁸ The 40th Golden Raspberry Awards were initially intended to take place as planned on March 14.²⁹ However, it was ultimately cancelled. The ceremonies winners were announced on their YouTube channel on March 16.³⁰

With the delay of the 2021 Grammy Awards to March 14 citing the current surge of COVID-19 cases in California, on January 13, 2021, the SAG Awards were delayed once again to April 4. SAG-AFTRA criticized The Recording Academy for

not respecting the scheduling of other award presentations.⁴² In Canada, the pandemic shutdown forced the cancellation of both the 8th Canadian Screen Awards⁴³ and the 22A Quebec Cinema Awards.⁴⁴ Both programs ultimately announced their winners through virtual livestreaming, the Canadian Screen Awards presenting film winners on May 28,⁴⁵ and the Quebec Cinema Awards presented on June 10.⁴⁶ As of August 2020, neither the Academy of Canadian Cinema and Television nor Québec Cinéma have announced their plans for the 2021 ceremonies.

Other major films have postponed releases in certain countries. The Pixar film *Onward*, released on the opening March weekend, was not opened in the areas most affected by the coronavirus outbreak while cinemas were closed in China, it also chose not to open in South Korea, Italy or Japan.⁹⁰ Other March 2020 releases *A Quiet Place Part II* and *Mulan* postponed their releases in affected areas, too.

This prompted worry that, should March film openings underperform, blockbusters set for release in May specifically DisneyMarvels *Black Widow* and Universals *F9* would move their dates later in the calendar.¹⁸⁷ *Mulan* not opening in China, where it aimed to make most of its money, was particularly concerning,⁹¹ especially with the possibility that pirate copies will appear and prevent Chinese moviegoers from going to see it in cinemas when it is released.⁹ Comparatively, *A Quiet Place Part II* had not anticipated a large Chinese draw, as the box office for the first film in the country was only 10% of its total.⁷
