*Rand article from wiki

Before the advent of digital alternatives, the cost of professional film equipment and stock was also a hurdle to being able to produce, direct, or star in a traditional studio film. But the advent of consumer camcorders in 1985, and more importantly, the arrival of high-resolution digital video in the early 1990s, have lowered the technology barrier to film production significantly. Both production and post-production costs have been significantly lowered in the 2000s, the hardware and software for post-production can be installed in a commodity-based personal computer. Technologies such as DVDs, FireWire connections and a wide variety of professional and consumer-grade video editing

software make film-making relatively affordable.

Several Chinese and Hong Kong films have stopped production, including Blossoms, the upcoming film directed by Wong Kar-wai, which was scheduled to shoot in Shanghai.¹⁶² Jia Zhangke's next film, which was planning to begin filming in China in April, but has been put on hold until at least next spring, with Zhangke saying he might even rewrite the script.¹⁶² and Polar Rescue, a Donnie Yen film, which shut down production until the end of the year.⁸² One of the first big production shutdowns was that of Mission: Impossible 7, which was scheduled to begin filming in Venice, Italy when the crew was sent home and the sets left behind.⁶ After actor Tom Hanks became infected with the coronavirus, the Elvis Presley biopic he was working on in Queensland, Australia was shut down, with everyone on the production put into quarantine. Production company Warner Bros. began working with the Australian public health services to identify other people who may have been in contact with Hanks and his wife Rita Wilson, who had been performing at venues including the Sydney Opera House shortly before both were tested positive.¹⁶³ The Marvel Studios film Shang-Chi and the Legend of the Ten Rings, which was also shooting in Australia, had its first unit production temporarily suspended on March 12, 2020, due to director Destin Daniel Cretton self-isolating while awaiting results for a coronavirus test, which came back negative.¹⁶⁴¹⁶⁵

Exhibitors : The stock of exhibitors, companies that own and finance showing films in cinemas and theaters, continued

falling even as the global stock market rebounded. Mid-week on March 4, 2020, Cinemark fell by 0.53% and AMC by 3.5%.¹⁷⁹ That day, No Time to Die had its release postponed by March 6, AMC's shares had fallen by 30% over two weeks. Between March 4 and 6, Cineworld's shares fell 20%,⁷ and fell another 24% on March 12.¹⁸⁰ The falls result from a combination of AMC closing selected cinemas in Italy¹⁷⁹ and the lack of confidence in the market created by No Time to Die moving its release date other new releases on its original opening weekend will not be as much of a draw for moviegoers and could result in financial losses for the chains showing them.¹⁸ The in-theater advertising company National CineMedia also reported stock falling, by 1.25% on March 4.¹⁷⁹
