\*Rand article from wiki

Terminology : The terminology used for describing motion pictures varies considerably between British and American English. In British usage, the name of the medium is film.

The word movie is understood but seldom used.<sup>78</sup>

Additionally, the pictures plural is used semi-frequently to refer to the place where movies are exhibited, while in American English this may be called the movies, but it is becoming outdated. In other countries, the place where movies are exhibited may be called a cinema or movie

theatre. By contrast, in the United States, movie is the predominant form. Although the words film and movie are sometimes used interchangeably, film is more often used when considering artistic, theoretical, or technical aspects.

The term movies more often refers to entertainment or commercial aspects, as where to go for fun evening on a date. For example, a book titled *How to Understand a Film* would probably be about the aesthetics or theory of film, while a book entitled *Lets Go to the movies* would probably be about the history of entertaining movies and blockbusters.

Warner Bros. followed Disney by announcing the postponement of the rest of their upcoming slate on March 24. *Tenet* was pushed from July 17, 2020, to July 31, 2020, then August 12, 2020 before it was held up indefinitely.<sup>108</sup> *Wonder Woman 1984* was pushed to August 14, 2020, then to October 2, 2020, and then again to December 25, 2020, with *Scoob!*, *In the Heights*, and *Malignant* being delayed indefinitely. This resulted in *Scoob!* not having a theatrical release in North America and that film went straight to video on demand, while *In the Heights* moved to its new release date of June 18, 2021.<sup>109</sup> Prior to this, on March 19, Universal and Illumination announced that *Minions: The Rise of Gru* had been pulled from its intended release date of July 3, 2020, not only due to the pandemic but also due to the temporary closing of its French Illumination Mac Guff animation studio in response to the pandemic, which would leave the films animation to be unfinished on its original date.<sup>110</sup> On April 1, 2020, the film was rescheduled for July 2, 2021 taking the planned release date of *Sing 2*, a year after its original date.<sup>111</sup>

Exhibitors : The stock of exhibitors, companies that own and finance showing films in cinemas and theaters, continued falling even as the global stock market rebounded. Mid-week on March 4, 2020, Cinemark fell by 0.53% and AMC by 3.5%.<sup>179</sup> That day, No Time to Die had its release postponed by March 6, AMC's shares had fallen by 30% over two weeks. Between March 4 and 6, Cineworld's shares fell 20%,<sup>7</sup> and fell another 24% on March 12.<sup>180</sup> The falls result from a combination of AMC closing selected cinemas in Italy<sup>179</sup> and the lack of confidence in the market created by No Time to Die moving its release date other new releases on its original opening weekend will not be as much of a draw for moviegoers and could result in financial losses for the chains showing them.<sup>18</sup> The in-theater advertising company National CineMedia also reported stock falling, by 1.25% on March 4.<sup>179</sup>
