*Rand article from wiki

Any film may also have a sequel, which portrays events following those in the film. Bride of Frankenstein is an early example. When there are more films than one with the same characters, story arcs, or subject themes, these movies become a series, such as the James Bond series. And, existing outside a specific story timeline usually, does not exclude a film from being part of a series. A film that portrays events occurring earlier in a timeline with those in another film, but is released after that film, is sometimes called a prequel, an example being Butch and Sundance: The Early Days.

The lack of theatrical releases from Hollywood studios

resulted in an anime film—Demon Slayer: Mugen Train—becoming the first-ever non-Hollywood film to top the annual worldwide box office. The film benefited from Japan's relative control of the pandemic at the time of its release, the popularity of the franchise, and reduced competition from international films.¹²⁰¹²¹ With both Los Angeles and New York City having allowed cinemas to reopen by March 2021, it was expected that film distributors would be more confident in releasing higher-profile films.¹²²¹²³ During that month, Disney announced that *Black Widow* would open in theaters on July 9, 2021 and would also be available on Disney+ the same day with Premier Access, following the same release strategy that was used for one of the company's other films, *Raya and the Last Dragon*.¹²⁴ Two more of Disney's films, *Cruella* and *Jungle Cruise*, were also given this hybrid release.¹²⁴¹²⁵

On March 5, 2021, cinemas in New York City were given authorization to reopen, subject to the same 50-patron limit as the remainder of the state.¹⁹⁷ On March 11, after Los Angeles County moved from purple to red on the Blueprint for a Safer Economy, the Los Angeles County Department of Public Health LACDPH gave authorization for cinemas to resume operations in the area at 25% capacity.¹⁹⁸ 42 of the approximately 107 cinemas as of 2019 in the LA area had resumed operations by March 26, with some chains and independent cinemas expecting to reopen over the next few weeks for the opening of *Godzilla vs. Kong*.¹²²¹²³
