\*Rand article from wiki

The opening March weekend saw a dramatically lower box office than the same weekend in 2019. The 2019 opening March weekend saw the release of Captain Marvel, which alone earned over US\$3 million domestically that weekend, compared to the 2020 weekends biggest film, Onward, with around US\$1.2 million.<sup>21</sup> The next weekend saw the lowest total US box office intake since the October 30–November 1, 1998 weekend, with lower percentage drops than the weekend after 9/11, at US\$1.3 million.<sup>3</sup> Onward itself saw the biggest weekend-to-weekend drop of any Pixar film, making \$1.5 million, though was still the weekends biggest film and the only one to make over million.<sup>3</sup> On March 19, Walt Disney

Studios and Universal Pictures announced that they would no longer report box office figures.<sup>23</sup> Comscore therefore announced the next day that it would indefinitely suspend its reporting of box office estimates and charts.<sup>24</sup> On March 26, 2020, after local transmission of the virus had dropped to 0% in China, movie theaters there began to re-open, with reports that 250-500 theaters were opening, but the next day authorities again closed all movie theaters in the country.<sup>2526</sup>

On June 15, it was announced that the Academy Awards would be pushed back by two months from February 28 to April 25, so that the cutoff for eligibility could likewise be extended from December 31, 2020, to February 28. The Academy Governors Awards and Scientific and Technical Awards have been postponed indefinitely. The British Academy of Film and Television Arts BAFTA subsequently announced that it would follow suit and postpone the 74th British Academy Film Awards to April.<sup>40</sup> On June 22, the Golden Globe Awards were also delayed from early-January to February 28, 2021 filling the Academy Awards former date.<sup>41</sup> The Screen Actors Guild Awards were also postponed from January 24 to March 14.<sup>42</sup>

Theatrical releases : On January 22, 2020, the Chinese blockbuster *Lost in Russia* canceled its theatrical release and was sent to streaming platforms. It was made available to Watch for free, a move said to encourage people to Watch it and stay home. The next day, all theaters in China were closed. On January 31, *Enter the Fat Dragon* also premiered online.<sup>80</sup> *Lost in Russia* was streamed by 180 million

accounts in the first three days after its release China's highest-grossing film and the highest-grossing non-English film ever was 2017's *Wolf Warrior 2*, which had sold a total of over 160 million tickets worldwide.<sup>81</sup> At the beginning of February, American films set to premiere in China over February and March were officially canceled.<sup>80</sup> Chinese media companies began making more films free online through January.<sup>82</sup> Asian markets also saw Chinese and Hong Kong film distributors cancel exports over the Lunar New Year holiday, including for the films *Vanguard*, *Detective Chinatown 3*, *The Rescue*, and *Legend of Deification*. Taiwanese film *Do You Love Me As I Love You* had its Asian release moved to April.<sup>83</sup> Cinemas in Asian countries without public restrictions have been increasing hygiene measures, with the spokesperson for one chain saying that they added more hand sanitizer dispensers, performed temperature checks on staff and moviegoers, cleaned facilities more frequently, and displayed public health warnings on the movie screens.<sup>83</sup> The Lunar New Year holiday is a large market for film releases across Asia, but was stunted in 2020 as the outbreak began rapidly spreading over this period of time.<sup>83</sup>
