Profit is a key force in the industry, due to the costly and risky nature of filmmaking many films have large cost overruns, an example being Kevin Costners Waterworld. Yet many filmmakers strive to create works of lasting social significance. The Academy Awards also known as the Oscars are the most prominent film awards in the United States, providing recognition each year to films, based on their artistic merits. There is also a large industry for educational and instructional films made in lieu of or in addition to lectures and texts. Revenue in the industry is sometimes volatile due to the reliance on blockbuster films released in

movie theaters. The rise of alternative home entertainment has raised questions about the future of the cinema industry, and Hollywood employment has become less reliable, particularly for medium and low-budget films.⁶

Despite the United States progress on vaccination, spread of Delta variant intensified across the country in July 2021. As children younger than 12 could not be vaccinated for COVID-19, a number of studios announced plans to delay films targeting families or pursue hybrid premium video on-demand PVD streaming releases¹²⁶¹²⁷ on July 31, Paramount Pictures cancelled the release of Clifford the Big Red Dog initially scheduled for September,¹²⁸ and later rescheduled it for a simultaneous release in theaters and on Paramount+ for November of that year,¹²⁹ while United Artists Releasing's The Addams Family 2 was also shifted to a hybrid release.¹²⁷¹³⁰ On August 12, Sony Pictures also delayed the release of Venom: Let There Be Carnage by three weeks to October 15, citing Delta variant.¹³¹ On September 1, 2021, Paramount announced that the releases of Jackass Forever, Top Gun: Maverick and Mission: Impossible 7 would be delayed to February 2022, May 2022, and September 2022, respectively, amid surging cases of the Delta Variant.¹³² On September 6, 2021, however, Sony decided to move up the release date of Venom: Let There be Carnage to October 1, 2021, following the box office success of Shang-Chi and the Legend of the Ten Rings.¹³³ The success of Shang-Chi and the Legend of the Ten Rings also led to The Walt Disney Company deciding to release the rest of their 2021 films exclusively in theaters.¹³⁴

On October 3, after *No Time to Die* was delayed until April 2021, it was reported that Cineworld was considering suspending the operations of all of its cinemas in the UK and Ireland, and most US Regal Cinemas indefinitely, citing the lack of tentpole releases as impacting its business.¹⁸⁶¹⁸⁷¹⁸⁸ The company confirmed the move on October 5, with CEO Mooky Greidinger stating that it was too expensive to continue operating its cinemas without a consistent lineup of new releases having initially planned to hold out until *No Time to Die* was released, and argued that the continued closure of cinemas in the state of New York has made studios reluctant to release films due to the underperformance of *Tenet*.¹⁸⁹ The closures excluded seven Regal locations in California that had recently been allowed to reopen.¹⁹⁰
