\*Rand article from wiki

Percentage box office losses outside of mainland China for January to March 3, 2020, are 70–75% in Italy, 60% in South Korea, 35% in Hong Kong, the Philippines, and Singapore, and 30% in Taiwan.<sup>18</sup> The Los Angeles box office, a key movie market and local economic backbone, was projected to fall by 20% in April 2020 compared to its 2019 figures, based on the state of emergency declared in the county at the start of March 2020.<sup>18</sup> Despite the state of emergency, as single screens within movie theatres do not hold more than 1,000 people, they were granted an exemption from the ban on mass public gatherings in California. A National Association

of Theatre Owners representative for California and Nevada announced that theatres would stay open historically, movie theatres have remained open during other similar emergencies.<sup>19</sup> However, a survey of Americans over the opening March weekend showed support for closing movie theaters.<sup>9</sup> On March 15, Deadline reported that over 100 movie theaters in the US had closed, some due to local rulings and others because of an inability to keep them open with no demand<sup>3</sup> on March 17, with national restrictions to social gatherings, cinemas across the United States closed.<sup>12</sup> However, drive-in theaters, where customers stay in their own cars, were not closed, and quickly grew in popularity again.<sup>20</sup>

On June 15, it was announced that the Academy Awards would be pushed back by two months from February 28 to April 25, so that the cutoff for eligibility could likewise be extended from December 31, 2020, to February 28. The Academy Governors Awards and Scientific and Technical Awards have been postponed indefinitely. The British Academy of Film and Television Arts BAFTA subsequently announced that it would follow suit and postpone the 74th British Academy Film Awards to April.<sup>40</sup> On June 22, the Golden Globe Awards were also delayed from early-January to February 28, 2021 filling the Academy Awards former date.<sup>41</sup> The Screen Actors Guild Awards were also postponed from January 24 to March 14.<sup>42</sup>

Warner Bros. followed Disney by announcing the postponement of the rest of their upcoming slate on March 24. Tenet was pushed from July 17, 2020, to July 31, 2020,

then August 12, 2020 before it was held up indefinitely.<sup>108</sup> Wonder Woman 1984 was pushed to August 14, 2020, then to October 2, 2020, and then again to December 25, 2020, with Scoob!, In the Heights, and Malignant being delayed indefinitely. This resulted in Scoob! not having a theatrical release in North America and that film went straight to video on demand, while In the Heights moved to its new release date of June 18, 2021.<sup>109</sup> Prior to this, on March 19, Universal and Illumination announced that Minions: The Rise of Gru had been pulled from its intended release date of July 3, 2020, not only due to the pandemic but also due to the temporary closing of its French Illumination Mac Guff animation studio in response to the pandemic, which would leave the film's animation to be unfinished on its original date.<sup>110</sup> On April 1, 2020, the film was rescheduled for July 2, 2021 taking the planned release date of Sing 2, a year after its original date.<sup>111</sup>
